GEAR UP FOR SUMMER

REGISTER NOW FOR SUMMER YOUTH SPORTS

Don't miss out! Registration has begun for the YMCA's Summer Baseball and Basketball programs. The Y's Youth Sports programs use fun and exciting activities to develop sports skills in emerging athletes.

- Registration Ends : May 12
- Practices begin : May 20
- Games begin : June 1

Visit www.gmvymca.org/youth-sports or contact Andrew Flanagan at aflanagan@gmvymca.org for more information. Membership to the YMCA is not required for participation.

JUMP ON IN! REGISTER NOW FOR SUMMER!

At the Y, swimming is a life skill. Our swim lessons prepare kids of all ages to stay safe and have fun in the water, building strong swimmers and confident kids.

Our new swim lesson progression curriculum is geared towards what we know about how children and adults learn and develop. Students begin with and build upon skills they are ready to learn, helping them to celebrate their successes, build self-confidence, enjoy learning to swim, and water safety.

Classes are available for all ages and availability levels. For more information, contact Sam Knoche at sknoche@gmvymca.org. Membership to the YMCA is not required for participation.

Registration going on now for session to begin May 28.
