Driving and Parking Regulations:

- 1. NOTE-Students must pay all previous year school fees prior to purchasing a parking pass.**
2. ALL VEHICLES must be registered in the high school office. A parking pass costing **\$25.00** will be issued to each student.
3. Vehicles must display high school parking pass on rear-view mirror.
4. Vehicles must be properly parked in spaces designated for students (within **yellow lines**). Students should not park so that they block another student.
5. Obey all traffic signs, instructions of staff members, and do not exceed the 10 mph speed limit in the parking lot.
6. *Loitering in cars will not be permitted before, during or after school.* An approved staff member **must** accompany students who need to return to their cars during school hours.
7. All student vehicles must be covered by insurance. The school is not responsible for the automobile or its contents.
8. Arrive to school on time. Students who are chronically tardy, excused or unexcused will have their parking privilege revoked; tardies will accumulate by the quarter.
9. All students are reminded that driving is a privilege, not a right. Any violation of the above rules, other school rules and civil laws may result in denial of parking privileges, and/or car being towed away or other appropriate disciplinary action.
10. **When students opt to drive to school and park their vehicles in the area designated MHS student parking, they assume responsibility for the vehicle and its contents. Vehicles located in the MHS student parking area may be subject to inspection by school personnel or law enforcement drug dogs if school personnel have a reasonable suspicion that drugs, alcohol, stolen property, or other illegal materials may be present. My parents and I hereby give school officials and law enforcement personnel the right to inspect the vehicle I drive to school at any time there is a reasonable concern that drugs or other illegal items may be in the vehicle. I also realize that I will be held personally responsible for any items found in the vehicle.**
