MONROE LOCAL SCHOOLS STUDENT CONDUCT (Zero Tolerance)

Students are expected to conduct themselves in such a way that they respect and consider the rights of others. Students of the District must conform with school regulations and accept directions from authorized school personnel. The Board has "zero tolerance" of violent, disruptive or inappropriate behavior by its students.

A student who fails to comply with established school rules or with any reasonable request made by school personnel on school property and/or at school-related events is subject to approved student discipline regulations. The Superintendent/designee develops regulations which establish strategies ranging from prevention to intervention to address student misbehavior.

Students and parents annually receive, at the beginning of the school year or upon entering during the year, written information on the rules and regulations to which they are subject while in school or participating in any school-related activity or event. The information includes the types of conduct which are subject to suspension or expulsion from school or other forms of disciplinary action. The Board directs the administration to make all students aware of the student code of conduct and the fact that any violations of the student code of conduct are punishable. The rules also apply to any form of student misconduct directed at a District official or employee or the property of a District official or employee, regardless of where the misconduct occurs.

If a student violates this policy or the code of conduct, school personnel, students or parents should report the student to the appropriate principal. The administration cooperates in any prosecution pursuant to the criminal laws of the State of Ohio and local ordinances.

A student may be expelled for up to one calendar year if he/she commits an act that inflicts serious physical harm to persons or property if it was committed at school, on other school property, or at a school activity, event or program.

The Student Code of Conduct is made available to students and parents and is posted in a central location within each building.

Monroe Local Schools has a high regard for academic excellence and scholarship. Students should attend school regularly and be there on time to receive maximum benefit from the instructional program and to develop habits of punctuality, self-discipline and responsibility. Even though most homework assignments missed due to absence may be made up at a later date, a student who misses class cannot benefit from missed educational activities such as verbal instruction, special help in skill development, group discussions, spontaneous dialogue between teacher and students, films, etc..

An absence from class disrupts the continuity of the learning process. In most situations, the work cannot be made up adequately. Also, students who have good attendance usually achieve higher grades, enjoy school more, and are more employable after leaving high school.

S.B. 55, Section 3313.609 (B) The Board of Education of each city, exempted village, local, and joint vocational school district shall adopt a grade promotion and retention policy for students, the policy shall prohibit the promotion of a student to the next grade level if the student has been truant for more than ten per cent of the required attendance days of the current school year and has failed two or more of the required curriculum subject areas in the current grade unless the student's principal and the teachers of any failed subject areas agree that the student is academically prepared to be promoted to the next grade level.

ABSENCE FROM SCHOOL

Under the State regulations on attendance, the following reasons are accepted for excused absence:

1. Personal illness
2. Illness in family (where help is needed); absence due to work at home caused by illness of parents or guardians
3. Quarantine of home

4. Death of relative (limited to three days)
5. Absence due to observance of religious holiday
6. Medical appointments, dental appointments, etc.

Upon receipt of a written request from a parent or guardian five days prior to requested absence, permission may be granted by the Supervising Principal to attend the following types of events requiring excused absence from scheduled classes:

1. Family trips of personal nature (a maximum of five days per year and if the student has good grades and attendance as determined by administration).
2. Athletic participation
3. Others

DISCRETION SHOULD BE USED IN MAKING FINAL DECISIONS IN THESE MATTERS. It is the responsibility of the student missing classes to arrange for make-up work and scheduled assignments.

MISSING CHILD LAW

In accordance with this law, a notification of absence must be sent to the parents or guardians of each student that the school is unable to contact by telephone by the end of the school day. **It is the responsibility of parent or guardian to contact the school by 9:00 a.m.** If the school is not contacted, parents will be notified. If the parent, custodial parent, guardian, legal guardian or other person having care or charge of a student or their emergency number designee, is not contacted by the end of the school day, the building principal or his/her designee shall send written notification of the absence to the student’s residence. These students must provide a written note from their parent/guardian upon their return to school to receive an excused absence.

Monroe Local Schools Attendance Procedures

The Ohio Revised Code defines the terms habitually and chronically truant as they pertain to unexcused absences as follows: Habitual Truant (5 consecutive absences, 7 absences within a twenty school day period or 12 days within a school year) and Chronic Truant (7 consecutive absences, 10 absences within a twenty day period or 15 days within a school year). When a student reaches habitually or chronically truant status, both the student and his/her parent will be cited to court by the district attendance officer as required by the Ohio Revised Code.

Absence Policy (Per Quarter)

First Unexcused Absence	Letter to parents and/or conference
Second-Fourth Unexcused Absence	Friday School or alternative
Fifth + Unexcused Absences (File with court)	Fri. Schools/ suspension-alternative

***Truant Officer notified

EXCUSED ABSENCES:

It is the responsibility of the parent/guardian to notify the appropriate office (539-8471) when a student will be absent from school. Once the school receives proper notification (parent/guardian/medical/court note within 24 hours of the student’s return to school), the absence may be excused. Failure to contact the school regarding an absence will result in the absence being unexcused. Two or more unexcused absences will result in school

discipline. **In addition, medical documentation will be required when absences exceed four per quarter.**

AM TARDY TO SCHOOL:

Students who arrive to school up to 90 minutes after the start of the school day are considered tardy to school and should receive an "admit to class" pass from the secretary. All tardies are unexcused without a medical/court note being received within a 24-hour period. If a student fails to "sign-in" in an attempt to avoid a tardy, they will be seen for disciplinary action. Repeated tardiness to school may result in suspension from school and/or loss of school driving privileges.

Unexcused Tardies

Students totaling 3 or more unexcused tardies will result in disciplinary action. All tardies will be marked unexcused unless a doctor's note is provided. Other extreme circumstances may also be granted at the discretion of administration.

EARLY RELEASE/PM TARDY:

Students leaving school prior to 90 minutes before the end of the school day are considered PM tardy to school and must receive an "Early Release" pass from the secretary. All PM tardies are unexcused without a parent/guardian/medical/court note. If a student fails to "sign-out" in an attempt to avoid a tardy, they will be seen for disciplinary action. Repeated PM tardiness to school may result in appropriate school discipline (including loss of school driving privileges for HS students).

AM and PM Tardy Policy/ (Per Quarter)

- 1st or 2nd - tardy - no disciplinary action
 - 3rd tardy - one hour after school detention
 - 4th tardy - two hour after school detention
 - 5th tardy - Friday School Detention and/or In School Suspension
 - 6+ tardies - Friday Schools / suspension or alternative (possible loss of parking pass)
- *** Chronic tardiness will also result in a referral to the district truant officer.**

Excused Tardies

Students who provide proper documentation within 24 hours will receive an excused tardy. Excused tardies will not count towards disciplinary actions.

Personal Absences:

While we strongly recommend that all vacations take place during times when school is not in session, students may be excused from school for reasons personal in nature at the discretion of the building principal or designee. *A written request for a personal absence must be received by the office staff at least 5 days prior to the planned absence.* Upon review of the student's academic ("C" or above in the class) and attendance records, a written reply will be issued indicating whether the absence(s) will be considered excused or unexcused. **A maximum of five days** may be excused for trips personal in nature.

Transcript request forms are available in the guidance office. The form must be completed, signed by a parent/guardian, and returned to the guidance office.
